

HOW TO USE THE DASHBOARD

1

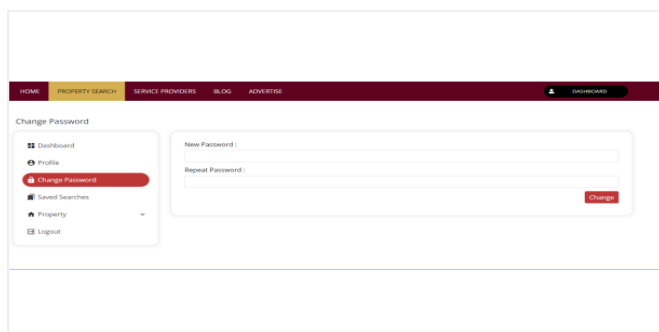

Your Dashboard shows your chosen plan and various elements such as: **Profile**, **Change Password**, lists your **Saved Searches** (if also a buyer) and **Property** (where you will add yours - see next window)

2

Profile:

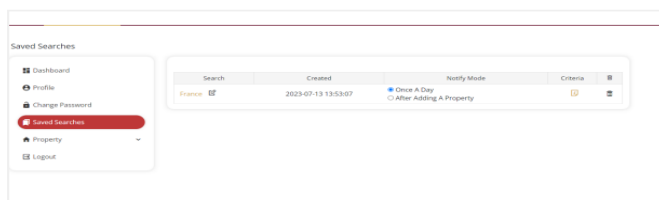

Here you can change your details and add a profile image if you wish.

3

Change Password:

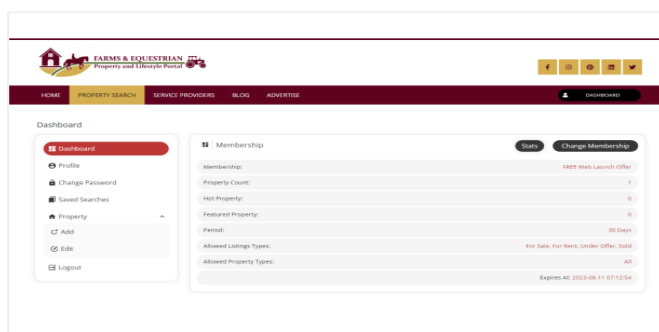

Enter your new password and then repeat.

4

Saved Searches:

This is where your saved searches appear and settings.

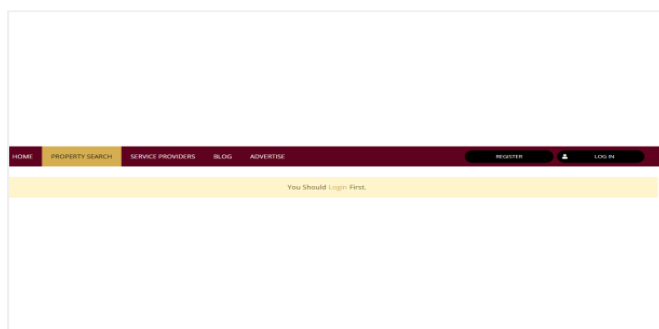

5

Property:

This section is where you **Add** and **Edit** your property listing.

See **Add Listing Guide**.

6

Logout:

The last section is to Logout. You will receive this message and the top menu bar will show the **LOG IN** button.
